sonra Allah, nerden diriltecek?" dedi. Bunun üzerine Allah onu yüz sene öldürdü, sonra diriltti, "Ne kadar kaldın?" diye sordu. O da: "Bir gün, yahut bir günden eksik kaldım." dedi. Allah buyurdu ki: "Hayır, yüz sene kaldın, öyle iken bak yiyeceğine, içeceğine henüz bozulmamış, hele eşeğine bak, hem bunlar, seni insanlara karşı kudretimizin bir işareti kılalım diyerdir. Hele o kemiklere bak, onları nasıl birbirinin üzerine kaldırıyoruz? Sonra onlara nasıl et giydiriyoruz?" Böylece gerçek ona açıkça belli olunca: "Şimdi biliyorum ki, Allah her şeye kadirdir." dedi.

Elmalılı 18:45 - Ey Muhammed! Sen onlara dünya hayatının misalini ver. Dünya hayatı, gökten indirdiğimiz bir su gibidir ki, bu su sayesinde yeryüzünün bitkileri (her renk ve çiçekten) birbirine karışmış, nihayet bir çöp kırıntısı olmuştur. Rüzgarlar onu savurur gider. Allah her şeye muktedirdir.

Elmalılı 73:20 - Rabbin, senin gecenin üçte ikisinden daha azında, yarısında ve üçte birinde kalktığını, seninle beraber bulunanlardan bir topluluğun da böyle yaptığını biliyor. Gece ve gündüzü Allah takdir eder. O, sizin onu sayamayacağınızı bildi de sizi affetti. Bundan böyle Kur'ân'dan size ne kolay gelirse okuyun. Allah, içinizden hastalar,

yeryüzünde gezip Allah'ın lütfunu arayan başka kimseler ve Allah yolunda savaşan daha başka insanlar olacağını bilmıştır. Onun için Kur'ân'dan kolayınıza geldiği kadar okuyun, namazı kılın, zekatı verin ve Allah'a güzel bir borç verin (Hayırlı işlere mal sarfedin). Kendiniz için gönderdiğiniz her iyiliği, Allah katında daha hayırlı ve sevapça daha büyük olarak bulacaksınız. Allah'tan bağış dileyin. Kuşkusuz Allah bağışlayandır, merhamet edendir.

Elmalılı 10:5 - O Allah'dır ki, senelerin sayısını ve hesabını bilesiniz diye güneşi bir ışık, ayı da bir nur yaptı. Ve aya menziller tayin etti. Allah bunu hak olarak yarattı. O, bilecek olan bir kavim için âyetlerini ayrıntılı olarak açıklar.

Elmalılı 10:24 - Dünya hayatının misali şöyledir: Gökten indirdiğimiz su ile, insanların ve hayvanların yediği bitkiler birbirine karışmıştır. Nihayet yeryüzü süslerini takınıp süslendiği ve sahipleri kendilerini ona gücü yeter sandıkları bir sırada, geceleyin veya gündüzün, ona emrimiz gelivermiştir, ansızın ona öyle bir tırpan atıvermişiz de sanki bir gün önce orada hiçbir şenlik yokmuş gibi oluvermiştir. Düşünen bir kavim için âyetlerimizi işte böyle açıklarız.

Elmalılı 9:39 - Eğer topluca savaşa katılmazsanız, O sizi acı bir azaba uğratar ve yerinize başka bir kavmi getirir ve siz O'na zerrece bir zarar veremezsiniz. Allah'ın herşeye gücü yeter.
